Christine, please place Terrence Lobo appointment approval by the BOS to Cable Advisory Committee on the agenda of November 22nd consent.

11/12/2010

11/9/10 - Mike

The Volunteer Coordinating Committee met Nov. 8, 2010 and interviewed Terence Lobo for an opening on the Cable Advisory Committee. Prior to working for Cisco Systems he worked as a software engineer for a company that supplied Comcast with equipment and thus is very qualified for this committee. In his present employment there is no business conducted with the Town of Acton. Mr. Lobo has discussed this committee with Mike Gowing and feels he can be an asset if appointed.

He has followed the meetings through the Town's website and also attends Town Meeting.

We voted unanimously to recommend him for this Committee.

Jean Lane, VCC
